

Don't be *koi* about chemical safety.

Be prepared for spills.

Protect your workers and the environment with KemSure® Spill Control Kits.

Our kits have everything you need, just when you need it most.

- Personal protective equipment for safe handling.
- Spill Response Pillows for fast absorption.
- KemSafe™ Neutralizing Powder to deactivate hazardous chemicals.
- Label and bag for easy disposal.
- Choice of pail or tote bag for storage convenience.

Manage spills safely.
